Welcome to DH Solutions Inc.

We are here to serve the professional needs of Dental Hygienists & Denturists.

Well known educator, Evie Jesin, RRDH, B.Sc. provides lectures and webinars. I cater to your needs by providing one on one coaching, in-office continuing education for the entire team, local society meeting and seminars.

Our mandate is to further advance the professions of Dental Hygiene and Denturism and to help Dental Hygienists and Denturists achieve their professional goals through providing quality continuing education courses that offer excellent value for the financial and time investment. Our courses are facilitated by highly credentialed, knowledgeable and experienced Educators. We want to provide busy Dental Hygiene and Denturism professionals with quality and economical professional development courses that meet the CDHO and CDO quality assurance requirements as acceptable CQI activities.

Our array of curriculum has been designed to enhance Dental Hygiene/ Denturism skills, knowledge, use of new technologies and practices, professional competence, career progression, and to advance the profession as a whole. All our courses and webinars have layering activities and self-assessment tests to enhance your knowledge.
